# Are you interested in serious books about North Carolina?

We have issued a booklet describing a group of eleven books about North Carolina. These books were prepared by mature students, they deal with every important economic and social aspect of life in this state, they are accurate and thorough, and, in our opinion, should be read by every person who is seriously interested in the welfare of North Carolina.

Will you let us send you a copy of this booklet free? If so, please sign and return the coupon below.
